COLLABORATION: GREATER NEW YORK HOSPITALS ASSOCIATION'S SUMMER ENRICHMENT PROGRAM

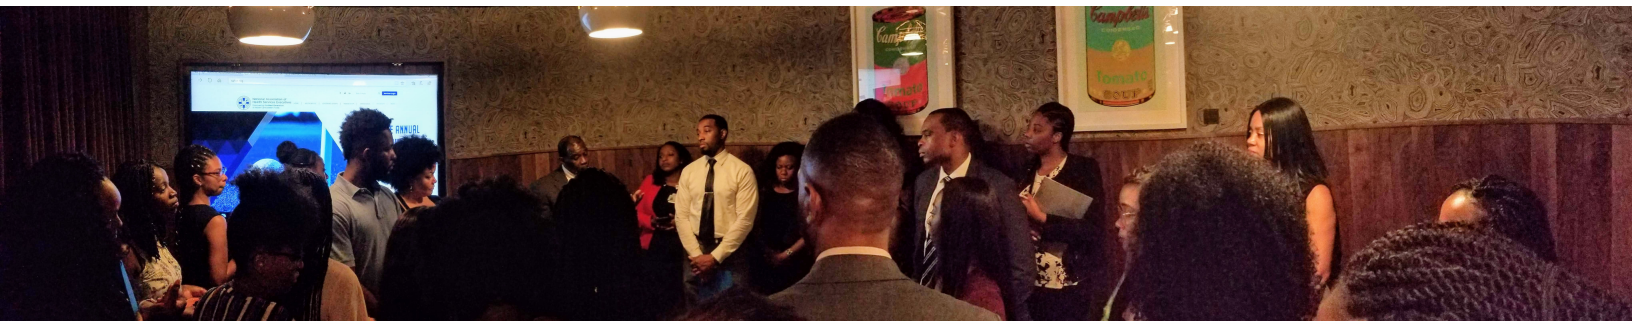

This past year, the New York Regional Chapter of NAHSE continued our valued partnership with the Greater New York Hospitals Association's (GNYHA) Summer Enrichment Program (SEP). We had 10 members serve as mentors to minority healthcare management students during their 10-week summer internship. The program began June 14th, during which the 10 NYR NAHSE Members who volunteered to be mentors met with their mentees at a networking event sponsored by GNYHA.

Abigail Nimako, President of NYR NAHSE attended the Institute for Diversity Conference in Chicago June 28 and June 29 with the SEP students and GNYHA SEP leaders as a mentor/chaperone.

If you are interested in mentoring a student for the 2019 year, please send an email to nyregionalnahse@gmail.com.

2018 MEMBERSHIP DRIVE

Our Membership Committee hosted a Membership Drive on August 9, 2018. The drive was held at Bedford and Co. in Manhattan. The purpose of the event was to recruit new members to NYR NAHSE. The event was a ticketed and by invitation only, with an estimated 40 expected. However, the event was a smashing success with a total of 50 in attendance and a net gain of 10 new members.

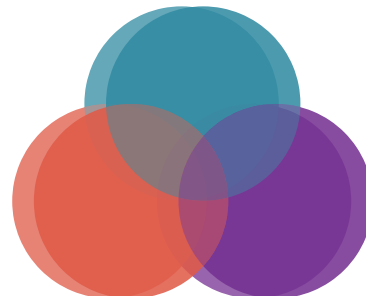

RESUME & PERSONAL BRANDING WORKSHOP

NYR NAHSE hosted a Resume and Personal Branding workshop on October 23, 2018 titled, "How to get ROI from Personal Branding". Expert recruiters from Northwell Health provided incredible insight and insider knowledge on how to present candidate's best self digitally and on paper, and NAHSE members proved that we are certainly an extremely talented group of professionals.

LEADERSHIP RETREAT PLANNING SESSIONS

The Executive Board and the Program Chairs held a 2-part series Leadership Retreat Planning Session on September 12th and October 4th. Each session was two hours in duration. During these, we discussed the structure of the organization, reviewed the bylaws and everyone's duties and responsibilities to align our goals and expectations for the remaining term.

HEALTH INFORMATICS FOR HEALTHCARE LEADERSHIP

For Black History Month on February 26, 2019 our chapter hosted an event at Hofstra University in Long Island, NY in collaboration with the Master of Healthcare Administration program at Hofstra. The event was well attended by many students and members interested in learning about healthcare informatics. Thank you Hofstra for hosting us, and thanks to all our members who were able to attend.

Our Annual Membership Meeting was held on January 22, 2019 at the Greater New York Hospital Association, a long time supporter for the NYR Chapter of NAHSE.
