PRESIDENT'S MESSAGE

Greetings NYR Members and Friends,

The last quarter of 2019 has been truly amazing. I want to share how it has been a pleasure serving as your chapter president since the Installation Ceremony in September at NYC Health +Hospital/Harlem Hospital. The past few months have showcased some exciting events where we have been developing, elevating and advocating for our leaders and communities.

Over the next two years, my goal is to provide exceptional educational programs and events which will connect and reconnect with members. The vision is to ensure NYR NASHE is not the best kept secret in the New York metropolitan area. Please join us on January 28th for our Annual Business meeting at Greater New York Hospital Association.

More information about our other exciting programs planned for 2020 will follow on the New York Regional chapter website.

Please make sure to email us at nyregionalnahse@gmail.com with any comments, suggestions, desire to serve on one of our committees or share with us professional accolades about you or your organization.

Follow us on LinkedIn, Facebook and Instagram. I look forward to seeing you and connecting with you in 2020! On behalf of NYR chapter board and committee chairs, thank you for an incredible 2019! We look forward to continued partnerships, collaborations and success in 2020!

Warmly,
Carle-Marie Memnon, DHA, FACHE
NYR Chapter President
