PRESIDENT'S MESSAGE

Greetings NYR Members and Friends,

Happy National Minority Health Month! The 2021 theme is #VaccineReady. Delighted to report over the next few weeks, you will be hearing from some of our NYR members about their vaccination experiences.

The first quarter of the year reminded us of NAHSE's awesomeness and NYR's rich history. In addition to our Annual Membership Business meeting, Tri-State Family Feud event and Special Women's History Month program, we celebrated Black History Month and Women's History Month. We recognized Everett V. Fox, former Vice-President of NYU Medical Center, founder and first President of NAHSE and Florence Small Gaynor, first African American woman hospital administrator in the United States and first woman president of NAHSE.

This upcoming quarter, we look forward to our focus on healthcare equity and mental health programs as well as CHAPTER ELECTIONS!

Despite these challenging times, as an organization, we remain focused on elevating, developing and supporting our leaders. We are fortunate to do so with our programs, events and collaborative partnerships. Truly honored to welcome all our new chapter members into the NAHSE family!

Warmly,
Carle-Marie Memnon, DHA, FACHE

CHAPTER UPDATES

January 2021

Tuesday, January 26: New York Regional held our Members only meeting. The Annual Business Meeting focused on Chapter Updates, Review of the 3 Chapter Goals: Financial Health, Membership and Public Policy and Advocacy. Additionally we reviewed chapter finances, which I am pleased to report remain very strong. Committee Chairs and Co-Chairs presented their 2020 Achievements and 2021 committee goals.

The meeting included two guest speakers presenting on Financial Wellness and FACHE Advancement respectively:

1. Jean Kimpson, Senior Vice President, Financial Education Services presented on Financial Wellness - Power of Credit. For more information about leveraging your financial health, please contact Jean Simpson directly at www.greenstreetbenefits.com or 678-516-9474.
2. Lewis W. Marshall, MD, MS, JD, FACHE, Chief Medical Officer, NYC Health+Hospitals/Lincoln and Regent-at-Large, ACHE District 1 provided an overview of the "Road to FACHE" and insights on the FACHE Advancement process.

Visit: <https://www.ache.org/FACHE> for additional information and to begin your advancement process.

CHAPTER UPDATES

February 2021

Wednesday, February 24: New York Regional chapter in collaboration with the NAHSE Connecticut and New Jersey chapters held a Tri-State Family Feud event in honor of Black History Month.

The theme for Black History Month 2021 was *The Black Family: Representation, Identity and Diversity*. Members from all three chapters including other chapters around the country were able to share in an educational and entertaining evening. Joy D. Calloway, MBA, MHSA served as the program mistress of ceremonies.

Special thank you to everyone on the planning committee and family members (team players) from the tri-state chapters who truly made it a joyful event!

March 2021

Tuesday, March 23: NAHSE, New York Regional held our Women's History Month event, "A Seat at the Table: Women in Science and Research".

Dr. Laura Riley, Obstetrician and Gynecologist-in-Chief at NewYork-Presbyterian/ Weill Cornell Medical Center and Given Foundation Professor and Chair of the Department of Obstetrics and Gynecology at Weill Cornell Medicine served as the moderator. Our panelists included: **Judith Absalon, MD, MPH, FIDSA**, Senior Medical Director, Pfizer Vaccines Clinical Research, **Delivette Castor, PhD, MPH, MSc**, Assistant Professor, Columbia University, Irving Medical Center Division of Infectious Diseases, Section on Health Equity in Implementation and Dissemination Science (Director) and **Chibuzo Enemchukwu, MD, MS**, Senior Research Scientist, Hunter Alliance for Research and Translation at Hunter College, Visiting Fellow, The Rockefeller University

Members and friends heard about their personal and professional inspirational journeys leading to where they are today including their impact on research and the healthcare landscape. Our phenomenal women scientists - researchers provided insights on the importance of having a seat at the table and how decisions are being made.

NATIONAL MINORITY HEALTH MONTH

April is National Minority Health Month. NYR is joining the HHS Office of Minority Health (OMH) to raise awareness about health disparities affecting racial and ethnic minority populations.

We are encouraging action through health education, early detection, and control of disease complications.

Get vaccinated, protect yourself, your family, and our community!

Please follow us on social media to see what our members are sharing about their experiences.
