## PRESIDENT'S MESSAGE

Greetings NYR Members and Friends,

The past few weeks have been extremely chaotic not only for the New York region but the world. The COVID-19 pandemic has created an unprecedented challenge to our health systems, hospitals, providers, and communities. The decisions made today will have far reaching implications for the future of our healthcare organizations and communities. On behalf of the NYR chapter board and committee chairs, NYR NAHSE is here to support you.

I am pleased to share our January and February meetings were successful events. Our March 17th, 2nd annual collaborative program with the National Coalition of 100 Black Women, Inc., Manhattan Chapter was postponed. We do plan to host this event at a future date. Our hope is to remain connected with you even if it is virtually during these times. Please continue to monitor our websites, LinkedIn, Facebook and Instagram for upcoming programs and read about Membership Spotlights.

Thank you to the members who have renewed to date and a warm welcome to all our new members and new institutional member: **Memorial Sloan Kettering Cancer Center.**

Take care of yourselves, loved ones and communities. Do not hesitate to reach out to us.

Warmly,  
Carle-Marie Memnon, DHA, FACHE  
NYR Chapter President
