*New York Regional*

*Quarterly Newsletter*

## PRESIDENT'S MESSAGE

Greetings NYR Members and Friends,

As autumn begins and a new season commences, I would like to extend a sincere thank you to the executive officers and committee chairs for their leadership. I am honored to have served as 2019-2021 NAHSE NYR president and look forward to remaining involved with NAHSE.

This past quarter NYR participated in several networking events and held our 24th scholarship gala virtually. Sadly our chapter lost two phenomenal NAHSE giants, Dr. Sandra Gould, former National and NAHSE NYR president and Percy Allen, former National NAHSE president. Both leave behind a rich legacy and contributed extensively in the lives of so many professionals and communities in New York and around the country.

Be sure to join NYR for our upcoming installation of new officers, virtual healthcare symposium and backpack jam as well as National 2021 Virtual Educational Conference focusing on promoting the advancement and development of Black health care leaders.

With gratitude,

Carle-Marie Memnon, DHA, FACHE  
 NYR Chapter President

**Faith Miller-Sethi, MPH, DrPH**  
Director of Strategic Health  
Initiatives at mySidewalk

**Dr. Faith Miller-Sethi** is an experienced public health practitioner with broad subject matter expertise. She holds MPH and DrPH degrees from Columbia University, and a BA in history from Duke University. Her understanding of the social determinants of health stems from deep knowledge of the social and behavioral sciences and a diverse public health work history, including experience leading a community development organization within a hospital.

In her current position at mySidewalk, a civic technology company, she is focused on assisting hospitals and health systems to enhance community health and health equity in innovative ways. mySidewalk helps health systems to tackle inequities in health using a dynamic CHNA solution powered by the most comprehensive social determinants of health data library in the country. Some notable partnerships with the company include AdventHealth, the American Heart Association, Blue Shield California, New York-Presbyterian, and Harvard University's Ariadne Labs.
